LAS PATRONAS JEWEL BALL 2019

Saturday, August 3, 2019 | La Jolla Beach & Tennis Club

Dear Friends,

It has been an honor to work the past six years alongside the dedicated women of Las Patronas. Their passion and determination fill our hearts with joy and, dare we say, a bit of "Wonder" that, despite our different backgrounds, ideas and talents, we come together as a unified voice to effect positive change. That shared commitment truly fuels the Las Patronas mission to better our community. We are beyond grateful to know and love these incredible ladies!

Ready to make the journey down the rabbit hole? Turn this page to learn more about what motivates us: our extraordinary nonprofit beneficiaries who rely on us to fund the capital items critical to their success. Our partnership with these organizations sustains us throughout the year. When we learn of their need, it encourages us to work harder on their behalf. When we hear of their success, we feel an enormous sense of pride that we have helped them touch so many lives.

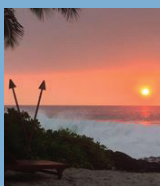

Join us August 3rd for Jewel Ball 2019 at the beautiful La Jolla Beach & Tennis Club, where we'll celebrate our generous supporters and honor our worthy beneficiaries in a most "Mad" way. Wonderland promises guests an enchanted evening under the stars surrounded by beauty, magic and charm. We know you'll leave grinning from ear to ear just like a certain cat we know!

To our community partners, supporters, advisory friends and sweet families - thank you. We simply could not do what we do without you. Lastly, to our daughters Isabella and Tessa - your optimism, kindness and abundant spirits inspire us. We know we can make a difference because you believe we can.

La Maestra Family Clinic

La Maestra established the Center for Youth Advancement to combat gang violence, high teen pregnancy rates and a lack of safe parks and affordable after-school activities in City Heights. A new bus purchased through a grant from Las Patronas will allow ethnically diverse youth to experience enriching and educational programs held throughout San Diego.

With a grant from Las Patronas for new MacBooks and cameras, Outside the Lens will be able to expand the reach of their digital media education program in Title 1 schools, and advance student skills in the core elements of filmmaking.

San Diego Fire Rescue

The San Diego Fire Rescue Foundation seeks to provide the very best equipment for its world-class first responders. This Las Patronas grant will fund "Jaws of Life" equipment to enable firefighters to perform critical rescue operations.

The Las Patronas Endowment Fund was established to diversify the way Las Patronas receives support and to provide funding for grants into the future.

The Legacy Society honors our members and community leaders who have included the Las Patronas Endowment Fund in their charitable bequests and estate plans, or who have made a direct contribution of \$10,000 or more to the Fund. Legacy Society members are recognized in Las Patronas publications and during Legacy Society appreciation events.

A Legacy Society Grant may be awarded annually from the income of the Fund. This year's grant funded critically needed computer equipment for the Foundation for Animal Care and Education (FACE), which provides assistance to owners who cannot afford the cost of their pet's emergency or critical care and face the heartbreaking predicament of "economic euthanasia." FACE clients include senior citizens, veterans, disabled individuals, students and hard-working families who struggle to survive paycheck to paycheck.

Jewel Ball Co-Chairs

Building the Ball For our 800 Ball guests, the party begins on the first Saturday evening in August. But for Las Patronas members, the party starts very early Sunday morning after the Ball and continues for the next 365 days! During the year leading up to the Ball, we offer no apologies for bad hair days or paint-splattered clothes. If we look like we've fallen in a vat of glue and sawdust, you know we've been to "The Warehouse" where we've been busy designing, painting, hammering, sawing and moving – all to benefit the carefully chosen and deserving San Diego County charities selected as Las Patronas Beneficiaries.

The week before the Jewel Ball is when it all comes together. We hit the La Jolla Beach & Tennis Club running and the only racket you'll hear from the tennis courts is from our power tools. Our all-volunteer membership unloads the scenery and décor arriving from the warehouse to transform the La Jolla Beach & Tennis Club into a Wonderland. We assemble the bridge, arrange the centerpieces, string the lights and place tables and chairs around the dance floor. Saturday afternoon finds us rushing to finalize every detail and then complete an even more miraculous transformation – to go from grungy to glamorous, sometimes in less than an hour!

During that whirlwind week we share laughter, camaraderie, hard work, a few aching muscles and an incredible sense of accomplishment as it all comes together. When you see us dancing until the last guest leaves, you'll know that we had an Alice-worthy good time. And, that we can't wait to get up the next morning and do it all over again!

Journey with us

Since 1946, guests have attended the Jewel Ball for an exceptionally fun evening of fabulous cuisine, thrilling entertainment and exquisite design. Jewel Ball 2019, Wonderland, once again promises the key to a magical evening brimming with glittering beauty and vintage charm. As you venture down the rabbit hole, like Alice you'll discover a world of fanciful flowers, giant mushrooms and enchanting butterflies. The stylish Flamingo Bar will beckon a "shrunk" you to linger awhile among the vivid colors and twinkling lights. Just beyond, the Queen of Hearts rules her court surrounded by regal black and white harlequin, vibrant red hearts and, of course, a lively deck of cards. We promise the roses will be properly painted red so you won't lose your head! As you're whisked into the Mad Hatter's Ballroom you'll find playful and elegant collide in the most delightful way. A chic garden tea party waits under a ceiling of stars where you'll dance the night away surrounded by an eclectic spirit of whimsy and wonder created just for you!

Las Patronas is grateful to the La Jolla Beach & Tennis Club, our dedicated partner and gracious host since 1946. Thank you for 73 WONDERful years!

This Las Patronas publication is made possible
through the generosity of Annette and Dan Bradbury

2019 Spirit of Giving Award

The Spirit of Giving Award is a way for Las Patronas to recognize community partners who demonstrate a continuity of support and a shared vision of service. Past honorees include individuals and organizations that have generously supported Las Patronas for decades, including the La Jolla Beach & Tennis Club, Bowers Jewelers, Abbey Party Rents and Sami Ladeki/Ladeki Group.

Las Patronas is proud to give the 2019 Spirit of Giving Award to Holland America Line. Our partnership began in 2006 thanks to Advisory Member Joan Capen and her husband, Ambassador Dick Capen, who served on the board of Holland America Line's owner, Carnival Corporation. Each year Holland America Line generously donates a 12-day luxury cruise for two to the Las Patronas donation raffle, and this year will mark a milestone \$100,000 in support to Las Patronas. Holland America Line's unwavering support has made it possible for Las Patronas to fund many critically needed capital items for nonprofit beneficiaries throughout San Diego.

Las Patronas will present Holland America Line with the Spirit of Giving Award at the Wonderland Beneficiary Event in January 2020. Thank you Holland America Line for your inspiring generosity! We look forward to partnering with you for years to come.

Wonderland Advisory Reps

We couldn't be more grateful for our amazing Advisory Reps: Lisa Betyar, Sherrie Black, Lisette Farrell, Kathryn Gayner and Jennifer Kelly. Their creativity, energy and generosity have been an abundant source of inspiration and encouragement. Each completed their active term in Las Patronas and agreed to represent our advisory members during this Las Patronas year. Thank you for helping us continue the Las Patronas tradition of service to enhance the quality of life in our community!
