## 2022 Spirit of Giving Award

Las Patronas is proud to award the 2022 Spirit of Giving Award to Chism Brothers Painting. Chism Brothers Painting has supported Las Patronas generously for nearly 30 years! Their provision of skilled painters at no cost to Las Patronas, as well as their connections to free painting supplies are integral to Las Patronas' inaugural event of the Jewel Ball "building season" - Paint Out Day! At Paint Out Day, Chism Brothers works with Las Patronas members to paint all the flats that transform the La Jolla Beach & Tennis Club tennis courts into an elegant ballroom for our Jewel Ball. Chism Brothers' work provides the backdrop for the amazing design of the Jewel Ball each year. Las Patronas salutes Chism Brothers Painting for their dedication to Las Patronas and for helping to preserve and enhance our surrounding communities. Las Patronas will present Chism Brothers Painting with the Spirit of Giving Award at the beneficiary celebration next year. It is with great pride and gratitude that we look forward to recognizing them with this award.

## South Seas Advisory Reps

Maururu (Thank you) to our fabulous Advisory Reps: Jena Joyce, Kelly Kjos, Sherry Macelli, Cari Massaad, and Cathy Maywood. Their enthusiastic support for all things Las Patronas has added another powerful oar to our outrigger heading for The South Seas. Each completed their active term in Las Patronas, but agreed to represent advisory membership during this Las Patronas year. Thank you for helping us continue the Las Patronas tradition of service to enhance the quality of life in our community!

La Jolla Beach & Tennis Club

Dear Friends of Las Patronas,  
La Orana! With these melodic Tahitian words, we welcome you to join us on August 20 at the La Jolla Beach & Tennis Club as we escape to the storied islands that dot the South Seas...

Upon arrival you will be whisked into a landscape of lush tropical greens punctuated with colorful flowers and whimsical pops of mid-century Polynesian design. Enjoy the mouthwatering flavors of Pacific Island cuisine and sip Tiki-inspired cocktails as you stroll into

the deep blues of the sea and the golden hues of sunlight. Dinner and dancing will be a tribute to the South Seas' modern-day place among the most exotic and luxurious travel destinations in the world...

Las Patronas has been hard at work during the challenges of the past few years, fulfilling our mission to help San Diego's worthy nonprofits. We've enjoyed wonderful support from our sponsors, advertisers, donors, vendors, and advisory members, and as always, we thank them for their unwavering belief in us. More than \$25 million has been granted to our beneficiaries over the past 76 years, and we look forward to continuing this important work for many more years to come.

With their exceptional generosity, The La Jolla Beach & Tennis Club will once again host our Jewel Ball, as they have done for so many years. Please join us as we celebrate each and every one of our supporters under the starry South Seas sky.

Inside this newsletter you will find information about our 2022 Major and Minor Beneficiaries, who continue to do great work for those in need throughout our community. There is a preview of our silent auction and more details on plans for the evening of August 20, 2022!! We hope you will share in our excitement.

## Legacy Society Grant

The Legacy Society honors our members and community leaders who have included the Las Patronas Endowment Fund in their charitable bequests and estate plans, or who have made a direct contribution of \$10,000 or more to the Fund. Legacy Society members are recognized in Las Patronas publications and at Legacy Society appreciation events.

A Legacy Society Grant may be awarded annually from the income of the Las Patronas Endowment Fund. This year's grant funded a refrigerator and computer desks for Casa de Amparo's new Teen Wellness Center, allowing Las Patronas to help provide a safe, healthy, and home-like environment for foster and former foster youth receiving residential services. Since 1978, Casa de Amparo has been working to treat and prevent child abuse and neglect. The agency serves more than 500 Casa Kids per year with integrated programs that promote healing, growth, and healthy relationships. Casa de Amparo serves youth up to age 25 throughout all of San Diego County with locations in Oceanside and San Marcos.

We are so very thankful for the many generous contributions to the Las Patronas Endowment Fund that made this grant possible.
